

# SYKEHOUSE PARISH COUNCIL

## MINUTES OF THE MEETING HELD ON TUESDAY 23<sup>RD</sup> OCTOBER 2018

**Present:** Councillor Mr Lee, Councillor Mrs Lifsey, Councillor Mr Fox,  
Councillor Mr Duckitt & Clerk Ms Halsall  
Councillor Mr John Gilliver (DMBC)  
Mr Rogers (Resident)

### ***Chairman welcomed everyone to the meeting.***

Mr Rogers reported on his property on Old School Close as the neighbouring farm has reported they will be removing a number of hedges and trees on the boundary of the opening to their field. Mr Rogers would like to know if planning would be needed to remove them as he doesn't want this to happen. If removed, he is worried that it could disturb the 100 years old footing of his old school wall and also the appearance of the area making his property quite open.

The public footpath was recently blocked in this area by the owners, the Rambler's Association who use this route had this cleared.

There are horse stables erected on this field and unsure if this has had any planning permission. The field owner has also piled 30ft of horse manure near Mr Rogers boundary and he has complained to them about this but to no avail.

A large section of hedgerow has already been taken out and replaced with a wooden fence on some of the field.

Councillor Mr Gilliver took Mr Rogers details and reported he would contact planning department. Mr Rogers is worried this could happen at any time and nothing could be done to stop it once it is all dug out and chopped down. The field owners have the machinery to do this kind of work.
